Student	92,712	\$10.00/M
Recreational	209	\$10.00/M
Private Foreign	11,475	\$10.00/M
Commercial Foreign	2,672	\$10.00/M

OSHA Data Information Services (ODIS) is a premier compiler of consumer and business information that specializes in sourcing public records from federal, state, county, municipal and international governments. Its experience with the Freedom of Information Act (FOIA) and equivalent state and international open public records laws, along with long standing relationships with government agencies, offers efficiencies unavailable to those seeking to obtain government sourced data independently.
